CAMP PHILOSOPHY

We believe that goalkeepers perform best when they are challenged in a competitive and safe environment. We emphasize healthy physical and mental training, hard work, positive attitude and good sportsmanship.

Our main objective is to develop each goalkeeper's technical skills as well as his/her ability to make productive decisions on the field.

We also feel that due to the proximity of the camp to the fall season, this camp is extremely beneficial for goalkeepers who wish to excel on their high school teams.
